

JOIN THE BLAIR LEGO PROJECT!

Join FRC 449: The Blair Robot Project this fall for our FIRST LEGO League (FLL) Team! Students going to grades 5th through 8th may apply to join!

FLL is a hands-on robotics program where students build and program LEGO SPIKE Prime robots, explore real-world challenges, and compete in areas like robot design, innovation, and teamwork.

More information: <https://www.firstlegoleague.org>

SIGN UP HERE!

<https://tinyurl.com/blairlegoproject>

Please fill the form **before July 20th!**

More information & specifics will be sent out to families after this form is filled. Please email us if you have questions!
